

HOW

OUR TEAM WORKS TOGETHER

MARKETING OUTREACH

leveraging marketing intelligence, automation, software, and big data to reach families at risk

CONTACT CENTER

trained call agents and managed by a director with years of experience operating for-profit centers

WOMEN'S CARE CLINIC

expanding network of clinics tailored to the abortion-determined client and families

CONTINUUM OF CARE

coordinating long-term assistance through a network of support services already in place

CHURCH OUTREACH

working in cooperation with communities of believers with a non sectarian, ecumenical approach

INCUBATION SERVICES

testing potential new services that aid abortion-determined women and families in our quest to end abortion
